

THE FLAME: FRINGE EDITION

Vancouver's Flame (a very popular storytelling event) is inviting Fringe performers to share their personal true stories on stage and sell their Fringe show to an avid theatre going audience. This annual event sells out! They will promote you through the Flame online membership, on stage that evening, and you can distribute your handbills at the event.

This year, the Fringe Flame is happening on Wednesday, Sept 6. *If you are not in the Fringe For All that night, this is a great thing to do!*

RULES OF THE FLAME

All stories must be TRUE, be about YOU and told in a FEW. (5 minutes max -- so we can fit in as many Fringe performers as possible!)
